When you talk about art, you can think of so many different forms that would qualify under that "label"! Some of us in this area many not be familiar with the art of sculpting.

MeLissa Kossick of The Arts Partnership sat down with us and talked about a gentlemen by the name of Gerry Kulzer who thought she was the perfect subject for a project and what you see below I hope you will find as truly amazing as I

below I hope you will find as truly amazing as I did.

It's a far cry from my Play-doh days!!!

MeLissa gives us the story of how this all came about!
